

Kanpur Anchalika Mahavidyalaya, Kanpur, Dist. Cuttack in the state of Odisha is an established Non-Government Aided College offering academic programmes up to the degree level in Humanities and Science. Being established in the year 1978, it has completed forty-seven years of its existence. The sapling that was implanted on November 1978 is now in a developing stage, and I hope it will be metamorphosed to a full-fledged institution complete in all respects in the years to come. In the last four decades of its existence, it has contributed immensely to the spread of higher education in this remote part of the state, catering to the academic needs of the rural population of this locality. Situated in a calm, serene, green, and picturesque spot in the bosom of nature, it has a congenial atmosphere of learning. The Institution is committed to its social commitment of bringing higher education to the grassroots level and imparting higher education to the poor rural students. Our Institution is a Composite College belonging to 488(255) Category Accredited with B Grade by NAAC. Presently, NEP-2020 has been introduced with Hons Departments in Political Science, History, Education, Sanskrit, Odia, Physics, Chemistry, Botany, Zoology & we have applied for opening of Hons in Economics, Philosophy & English.
